Good morning,

Attached is a general agenda for Thursday's meeting. We can, of course, deviate from that as necessary and as the discussion dictates.

Please feel free to call me with any questions (though I'll be out of the office 10:00am today to 11:00am tomorrow).

No but maybe they should be available just in case a question comes up and you want to pull one of them in especially in the agency only part
